

Setting Personal Settings in Your Xpressions User Account

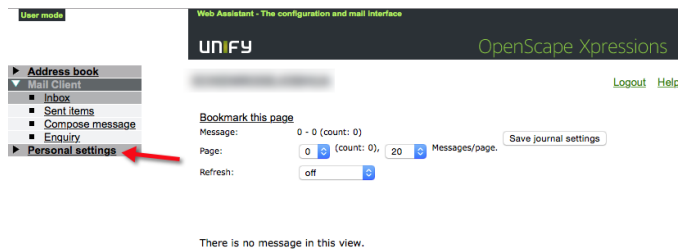

Article Number: 1011 | Rating: 1/5 from 1 votes | Last Updated: Tue, Jan 7, 2020 at 7:31 AM

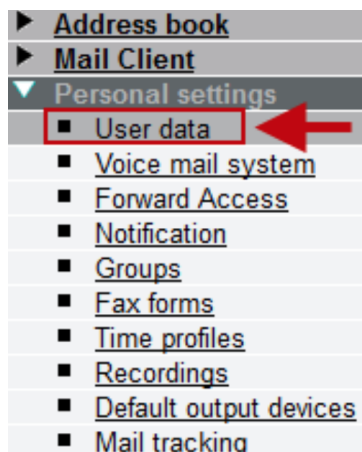

2019

Setting Personal Settings in Your Xpressions User Account

1. Click on the Personal Settings link.

2. You will be taken to the Personal Settings page. To view User Data, click on the User Data link.

3. The User Data page will open. In this are you are able to set your Mailbox Redirection (which allows other users to accept voicemail messages for you), Business Phone Number, Email Address, and other User related information.

User mode Web Assistant - The configuration and mail interface

unify OpenScope Xpressions
