Faculty and Students - Insert a YouTube Video Within a Blackboard Wiki or Blog

One of the benefits to a wiki or blog is that you can insert videos that pertain to the content of your wiki or blog. Often times a video could enhance the content of your wiki or blog entry.

1. Edit or create a page/entry within your wiki or blog.
2. Place your cursor in the content space where you want to insert the video.
3. Click the **Mashup** button then select **YouTube Video**.

4. Type in keyword(s) in the **Search** field then click **Go**. After a few minutes, videos related to your keyword(s) will display.
